MICROBLADING

BEGINNERS | 2 DAY | THEORETICAL & PRACTICAL

NO PREVIOUS EXPERIENCE NECESSARY

Microblading is one of the most popular cosmetic procedures worldwide. This course is designed for complete beginners so previous experience is required. We provide you with all the skills, knowledge and support needed to become successful in your Microblading career.

At Alida Academy we specialise in creating beautiful, realistic, and natural eyebrows over 2 days. Day 1 will cover all the theoretical aspects of Microblading and latex practice. Day 2 will be fully focused on practical training with trainer demonstrations and live model practice, so you leave the course feeling confident with a hands on learning experience.

Our course is fully insurable and ABT accredited meeting the highest industry standards. Following the course you will also receive life time support along with free confidence building courses held twice a year.
